ELECTRICAL ENGINEERING & COMPUTER SCIENCE DEPARTMENT

CSCI-410
Elements of Computing Systems
Spring 2014

ECS-03

Follow the instructions in the reference ECS-03 (i.e., the one in the book).

Be sure to adhere to the File Header Formats and the Submission Procedures.

NOTES:

1) Remember the resources that are available to you, in particular Appendix A and the HDL Survival Guide.

2) You may notice that this project is partitioned into **'a'** and **'b'** portions by the authors as reflected in the project's directory structure. This is explained is Section 3.5. This has nothing to do with the subprojects in this course. There is a single ECS-03 project and you will submit it all at once. Some of your HDL files with be in the **'a'** directory and the rest in the **'b'** directory.
